Re: U.S. v. Michael Metter and Steven Moskowitz
Case No. M10-507

Dear Judge Reyes:

We represent Michael Metter in the above matter. As your Honor may recall, I informed the Court yesterday that I would be requesting the Government's consent to a one week extension, until May 14, 2010, of the time by which Mr. Metter is required to provide the Government with a lien on his home as security for his bond. As I mentioned in Court, the process for providing such a lien in Connecticut is more cumbersome than the parties had anticipated at the arraignment and the additional week is required to complete the required paperwork and filings. Assistant United States Attorney Jeffrey Goldberg has informed me that he consents to this request. Accordingly, we respectfully request that the Court modify the Order Setting Conditions of Release and Bond as per the above.

Respectfully submitted,

s/ _____
